Experience

Graphic designer

part-time, Kreativní Kancel 2020–present

Involved in many aspects of the creative process, including briefing with clients, presentations and collaborating with people from other focus fields. Participates in creating content ideas as well as designing them and got experience in creating means such like:

- » social media content design
- » marketing and advertising design
- » key visuals
- » illustration
- » DTP

Publication design (*Povstalec*)

Voluntary work 2020–present

Graphic design, typesetting, illustration and DTP

Redesigned school magazine led by literary students at our university. Now continue to work on the publication, providing basic typesetting, occasional illustrations, photo processing and pre-printing preparation.

Publication design (*Face to face*)

Freelance (?) 2019–2021

Graphic design, typesetting, DTP and accompanying material

Worked with a collection of students' texts inspired by WWII witness' stories and designed them into a publication in Czech and English language. Besides typesetting, I worked with period and present-day photos.

Smaller projects

- » **Logo design for a book project**
- » **Designing print materials for a book conference**
(brochure, nametags and certificate of participation)
- » **Designing worksheets for high school students**

Other mentions

Ranked among the top 20. in a poster contest *Moment of Courage* (Struggle for Freedom and Democracy Day themed) hosted by Skautský Institut in Prague.
